

**JESUS MENDIOLAZA M.D. FACC, FASE
CURRICULUM VITAE**

Home Address: 19284 La Serena Drive, Estero Florida 33967
Telephone: Home (239) 481-5494
Mobile (239) 777-7180
E-mail: jmendiolaza@gmail.com
Visa Status: US Citizen
Specialty: Cardiology

Employment status: Cardiac Imaging Director and Vascular Division, ThedaCare Heart and Vascular Institute and Regional Medical Center, Wisconsin (February 26, 2024-present) , attending cardiologist Non-Invasive and Invasive Cardiology, All noninvasive Cardiovascular procedures, all cardiovascular imaging modalities including 3 D Echo, carotids Doppler, Cardiac CTA Structural Heart Imaging and CTA coronaries, coronary calcium scoring, ambulatory BP monitoring, and all cardiac consultations and cardiovascular clinical management and prevention. All non -invasive cardiovascular procedures.

Employment status: Attending Cardiologist-, UPMC Western Maryland, (October 2023- January 2023) Non-Invasive Cardiology, All noninvasive Cardiovascular procedures, all cardiovascular imaging modalities including 3 D Echo, carotids Doppler, CTA coronaries, coronary calcium scoring, ambulatory BP monitoring, and all cardiac consultations and cardiovascular clinical management and prevention. All non -invasive cardiovascular procedures.

Employment status: Attending Cardiologist-, **Concierge Cardiology**, Ascension St Agnes Medical Center and Heart Institute, Baltimore MD (July 20, 2023 -until October 2023) Non-Invasive Cardiology, All noninvasive Cardiovascular procedures, all cardiovascular imaging modalities including 3 D Echo, carotids Doppler, CTA coronaries, coronary calcium scoring, ambulatory BP monitoring, and all cardiac consultations and cardiovascular clinical management and prevention. All non -invasive cardiovascular procedures.

Employment status: Attending Cardiologist-, **Concierge Cardiology**, Decatur Memorial Hear Institute/ Hospital, Decatur ILL, (April 15, 2023- until July 15,2023) Non-Invasive Cardiology, All noninvasive Cardiovascular procedures, all cardiovascular imaging modalities including 3 D Echo, carotids Doppler, CTA coronaries, coronary calcium scoring, ambulatory BP monitoring, and all cardiac consultations and cardiovascular clinical management and prevention. All non -invasive cardiovascular procedures.

Employment status: Attending internal Medicine /Cardiologist- **Concierge Cardiology**, Pasco, WA DOC, CRCC outpatient clinic, all IM and cardiac consultations and cardiovascular clinical management and prevention. (From February 14 until March 30th)

Employment status: Attending Cardiologist-, **Director Nuclear Cardiology, Yakima Valley Memorial Hospital Yakima, WA** (October 2022- January 3rd, 2023) Non-Invasive Cardiology, All noninvasive Cardiovascular procedures, all cardiovascular imaging modalities including 3 D Echo, carotids Doppler, CTA coronaries, coronary calcium scoring, ambulatory BP monitoring, and all cardiac consultations and cardiovascular clinical management and prevention. All non -invasive cardiovascular procedures.

Employment status: Attending Cardiologist- **Concierge Cardiology**, Lourdes Hospital Pasco WA Life Point Care, Pasco, WA , Non-Invasive Cardiology, (May 9, 2022 until September 2023) All noninvasive Cardiovascular procedures, all cardiovascular imaging modalities including 3 D Echo, carotids Doppler, CTA coronaries, coronary calcium scoring, ambulatory BP monitoring, and all cardiac consultations and cardiovascular clinical management and prevention.

Employment status: Attending Cardiologist- **Concierge Cardiology**, Simi Valley Hospital, Adventist Health Simi Valley Health Care System, Los Angeles, CA, Non-Invasive Cardiology, (March 20 until April 21, 2022t) All noninvasive Cardiovascular procedures, all cardiovascular imaging modalities including 3 D Echo, carotids Doppler, CTA coronaries, coronary calcium scoring, ambulatory BP monitoring, and all cardiac consultations and cardiovascular clinical management and prevention.

Employment status: Attending Cardiologist- **Concierge Cardiology**, MCR Sarasota Florida, MCR Health Care System, Non-Invasive Cardiology, (November 15, until March 1st, 2022) All noninvasive Cardiovascular procedures, all cardiovascular imaging modalities including 3 D Echo, carotids Doppler, CTA coronaries, coronary calcium scoring, ambulatory BP monitoring, and all cardiac consultations and cardiovascular clinical management and prevention.

Employment status: Attending Cardiologist- **Concierge Cardiology**, West Florida Hospital HCA Health Care System, Pensacola, FL, Non-Invasive Cardiology, (September 15 until November 14, 2021) All noninvasive Cardiovascular procedures, all cardiovascular imaging modalities including 3 D Echo, carotids Doppler, CTA coronaries, coronary calcium scoring, ambulatory BP monitoring, and all cardiac consultations and cardiovascular clinical management and prevention.

Employment status: Attending Cardiologist, Naples Cardiac and Endovascular Center PA, Bonita Springs FL, Non-Invasive Cardiology, Ft Myers, FL (January 1, 2021 until September 15, 2021) All noninvasive Cardiovascular procedures, all cardiovascular imaging modalities including 3 D Echo, carotids Doppler, CTA coronaries, coronary calcium scoring, ambulatory BP monitoring, and all cardiac consultations and cardiovascular clinical management and prevention.

Employment status: Consultant, medical advisor, expert medical liaison leader (United States territory), BIOTEL, MCOT LLC (Cardiac Outpatient Remote Telemetry) October 2020 – present)

Employment status: Attending Cardiologist, Millennium Physicians Group, Naples, FL Non-Invasive Cardiology, Ft Myers, FL (Feb 2018-Sept 2020) All noninvasive Cardiovascular procedures, all cardiovascular imaging modalities including 3 D Echo, carotids Doppler, CTA coronaries, coronary calcium scoring, ambulatory BP monitoring, and all cardiac consultations and cardiovascular clinical management and prevention.

Employment status: Attending Cardiologist, Lee Physicians Group Non-Invasive Cardiology, Ft Myers, FL (Sept 09- Jan 2018) All noninvasive Cardiovascular procedures, all cardiovascular imaging modalities including 3 D Echo, carotids Doppler, CTA coronaries, coronary calcium scoring, ambulatory BP monitoring, and all cardiac consultations and cardiovascular clinical management and prevention.

Employment status: Attending Cardiologist, Anchor Health Centers Non-Invasive Cardiology, Naples Florida (July 2007- Sept 09), All noninvasive Cardiovascular procedures, all cardiovascular imaging modalities including 3 D Echo, carotids Doppler, CTA coronaries, coronary calcium scoring, ambulatory BP monitoring, and all cardiac consultations and cardiovascular clinical management and prevention

EDUCATION

1989 July-1995 June Federico Villarreal University, School of Medicine
Lima, Peru. MD.

1986Jul-1989 June Federico Villarreal University, School of Medicine
Lima, Peru, BS in Medical Sciences (combined program).

POSTGRADUATE TRAINING

7/1/2004-6/30/2007 University of Medicine and Dentistry of New Jersey
New Jersey Medical School
Cardiology Fellowship Program
Senior Cardiology Fellow

2002 July -2004 July University of Medicine and Dentistry of New Jersey
New Jersey Medical School
Internal Medicine Residency Program, Categorical
Resident-Physician, PGY-2 & 3.

2001-December National Institute of Health
National Heart, Lung and Blood Institute
Cardiology Department, Warren Grant Magnuson Clinical Center
Bethesda, Maryland
Visiting Medical Resident
Chief of Cardiology: Dr Richard Cannon III MD, PhD, FACC

2001 July- 2002 July Advocate Illinois Masonic Medical Center- University of Illinois at Chicago affiliated program, Chicago, Illinois
Internal Medicine Residency Program, Internship
Intern-House Staff, PGY-1

1999 January – 2001 June Stanford University School of Medicine
Stanford Patient Education Research Center
Stanford, California
Chronic Disease Management Program, Instructor/ Trainee

1996 July -1998 Dec University of California San Francisco School of Medicine
Cardiovascular Research Institute
San Francisco, California
Postgraduate Researcher
Director of Cardiovascular Echocardiography:
Dr Rita Redberg MD, PSC, FACC

1993 July- 1994 June Guillermo Almenara Medical Center, Lima, Peru
Medical Internship

PROFESSIONAL SOCIETIES

American Medical Association, Member
National Hispanic Medical Association, Member
American College of Cardiology, Fellow
American Society of Echocardiography, Fellow
American Society of Nuclear Cardiology, Member
New Jersey Medical Society, Inactive Member
Society of Cardiac Computed Tomography, Member
American College of Physicians, Member
Lee County Medical Society, Member
Society of Vascular Ultrasound
Florida Medical Association, Member
Collier County Medical Society, Former Member
Hispanic Doctors of South West Florida, Member
